

Traveler 6010

Wireless Optical Mouse

Genius
Live with Ideas

Genius introduces its latest wireless optical mouse - Traveler 6010.

Featuring a precision 1200 dpi optical engine, Traveler 6010 provides great cursor movement control for browsing documents or Internet pages. The Pico receiver is ideal because of its mini size, so you can leave it in your PC. To save on battery purchases, Traveler 6010 is designed with only one AA battery and a power switch to extend the battery life. For storage convenience, Stick-N-Storage design is just the perfect solution.

Traveler 6010 is available in three special tones - Diamond Black, Sky Blue, or Ruby Rose. For more information, contact your sales representatives.
